Andrea Manzoni + Marcel Zaes

sjö : två

New album, out on April 21, 2016

TONUS-MUSIC-RECORDS Switzerland

Catalogue Number: TON 050

EAN: 7640110810507

Release Date: April 21, 2016

Available on: iTunes, tonus-music-records.com

This novel work of Andrea Manzoni and Marcel Zaes articulates an aesthetic position of minimalism and introspection in the seamless equilibrium between acoustic and electronic material. **Sjö : två**, consisting of eight tracks, is a journey through the common sonic cosmos of the two artists, capable of displaying the permeability between popular and contemporary classical music cultures and of going beyond present structures and genres.

sjö : två
